Gentleman

I received your letter this morning
of John Truel was over drawing that
is why I did not draw that 1400⁰⁰ out
this week He shipped a Car yesterday &
You will get an advance on that
Monday or Tuesday morning

He ships another Car Tuesday next
week so I will leave 800⁰⁰ of mine
there until he get straight and up
I tell you it takes Cash when Price is
127 per Bu Beans bought 20 loads today
that means about 800 But if market
holds up there is a nice profit

Will try & make both ends meet
some way it will only be a few weeks
