Dear Eugene. Glad you
recd. my card, and very
glad you are still in
the good U. S. A and not
in China or some other
heathen country. We have
started here with the
typical West Tex sand-
storms, and I breathe like
a fish out of water. Be
sure and let me know
when you are in S. A
again, would like to see
you. Railroad pmission still
not decided, never can we
make a plan until we
know. I know Virginia is
lovely, I was there years
ago, but not long enough
Let me hear from you
sometimes dear Eugene
